Highlights

Digital thermometer

Quickly, comfortably and accurately measure your baby's temperature. The digital thermometer has professional accuracy* and the flexible tip provides extra comfort for you and your baby.

Compact and structured

The structured set offers room for your additional baby care products, whilst it is compact and convenient to take with you. Ideal for travel and nursery.

Nasal aspirator

The nasal aspirator helps to open your babies airways to help your baby feel and sleep better.

Finger tooth brush

Softly massage your baby's gums or teeth.

Nail and hair care set

Complete nail care set with rounded-tip scissors, nail clipper and three emery boards. And a hair care set with rounded-tip comb and soft hair brush.

Gift

A perfect gift for all (first time) parents.
