

PHILIPS

AVENT

Manual breast
pump

with VIA Storage System

SCF290/12

Express more. Store easily.

Express, store and feed in easy steps

A manual breast pump offers you total control of the suction level and pumping rhythm. The unique Philips Avent Manual Breast Pump assures you enhanced efficiency, being clinically proven to express more milk than a hospital electric pump.

For safe storage and transport

- Leak-proof twist-on system

Fits all Philips Avent breast pumps and teats

- Use adaptor to express and feed

Clinically proven effective

- Patented Let-down Massage Cushion

Stimulate and Express

- Soft massage cushions trigger natural let-down, like baby

Benefits and features:

- Express and store in one easy step
- Clinically proven

Highlights

Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's suckling action and is intended to help stimulate a fast natural let down.

Leak-proof twist-on system

For safe storage and transport

Adaptor to express and feed

Use the adaptor to express and feed with the same cup.

Patented Let-down Massage Cushion

Five, soft petal massagers of the Philips Avent breast pump gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.
