Sleek, comfortable backpack

Lightweight and stylish design

Designed to keep changing essentials on-hand when you are out and about with your baby. Comfortable, lightweight design with padded yet breathable back and shoulder straps. Easy to organise with quick access to front and main compartments.

Benefits and features:

- Made of lightweight, wipe clean nylon
- Ensures bottles stay warm or cool
- Easy to organize
- Sleek, slim and versatile design
- Keeps changing essentials on-hand

Highlights

Ensures bottles stay warm or cool

3M Thinsulate™ pocket keeps two Avent Bottles of pre-boiled hot water warm or cold ready-mixed formula/breast milk cool for several hours.

Easy to organize

Enjoy quick, easy access to front and main compartments.

Keeps changing essentials on-hand

Large removable baby changing mat and drawstring laundry bag.

Sleek, slim and versatile design

Perfect for day trips with baby or just when you're out and about.
