Fits various bottle types and other products

- Spacious design
- Sterilises various bottles, breast pumps and accessories

Easy-to-clean and safe sterilising

- Easy-to-clean and safe sterilising

Highlights

Flexible 3-in-1 steriliser

The steriliser's unique modular design makes it quick and easy to fit and organise your bottles and accessories. It also takes up minimal kitchen space.

Natural steam sterilising

The steriliser uses natural steam to sterilise baby bottles and other products, killing 99.9% of harmful germs without using chemicals. Perfect for giving you peace of mind that all your baby bottles and other products are sterile.

Sterile for up to 24 hours

The steriliser will keep its contents—baby bottles, breast pumps, etc.—sterile for up to 24 hours if the lid is unopened.

Fast sterilisation

The sterilising cycle lasts just 6 minutes. After this time, the steriliser automatically shuts off, giving you extra speed and safety.

Spacious design

Holds up to six 330 ml / 11 oz Philips Avent Classic and Natural bottles to be sterilised at once.

Open design

With an open design, it's easy to keep the heating plate clean, so you can sterilise with clean steam every time.

Works across bottle types

The steriliser is suitable for use with both standard-neck and wide-neck baby bottles. It also fits other baby products like breast pumps and accessories.
