Highlights

Flexible 3-in-1 steriliser

The steriliser's unique modular design makes it quick and easy to fit and organise your bottles and accessories. It also takes up minimal kitchen space.

Sterile for up to 24 hours

The steriliser will keep its contents—baby bottles, breast pumps, etc.—sterile for up to 24 hours if the lid is unopened.

Spacious design

Holds up to six 330 ml / 11 oz Philips Avent Classic and Natural bottles to be sterilised at once.

Works across bottle types

The steriliser is suitable for use with both standard-neck and wide-neck baby bottles. It also fits other baby products like breast pumps and accessories.
