

Philips Avent
Classic+ nipple

2 pieces
Slow flow
1m+

SCF632/42

Clinically proven to reduce colic and discomfort*

Trusted for 30 years

With the Philips Avent Classic+ nipple, your baby controls milk flow, which can help reduce over eating and spit-up. The unique valve flexes to allow air into the bottle, promoting healthy, active feeding and reducing fussing and colic.*

0% BPA (Bisphenol A Free)

- BPA free nipple

Vents air away from your baby's tummy

- Unique anti-colic system

Other benefits

- Different flow rate nipples available
- Compatible with Classic feeding bottle

More comfortable feed at baby's chosen pace

- Easy latch on due to the unique valve on the nipple

Reduce fussing and discomfort

- Clinically proven to significantly reduce fussing

PHILIPS
AVENT

Classic+ nipple
2 pieces Slow flow, 1m+

Highlights

Easy latch on

Unique valve on the nipple flexes to your baby's feeding rhythm. Milk will only flow at the pace chosen by your baby to minimize overeating and spit-up, burping and gas

Significantly reduces fussing

Sleep and nutrition are vital to your baby's health and happiness. A randomised clinical trial was carried out to see whether infant baby bottle design affects "infant behavior". The Philips Avent Classic baby bottle was shown to significantly reduce fussing by approximately 28 minutes a day as compared to the comparator bottle (46 min vs 74 min, $p=0.05$) This was especially true during the night-time.**

Unique anti-colic valve

As your baby feeds, the unique valve on the nipple flexes to allow air into the bottle instead of your baby's tummy.

BPA free

This nipple is made from silicone - a BPA-free material (Following EU directive 2011/8/EU)

Fit your baby's growing needs

The Philips Avent Classic bottle offers different flow rates to keep up with your baby's growth. Remember that age indications are approximate as babies develop at different rates. All nipples are available in twin packs.

Compatible with Classic bottle

We advise to use the Classic nipple with Classic baby bottles only.
