The easiest way to sterilise effectively

Adjustable size and dishwasher basket

With its adjustable size, the 4-in-1 steriliser takes up minimal kitchen space. The included dishwasher basket keeps small items together in the dishwasher and allows you to transfer them all at once into the steriliser.

Fast, effective sterilisation using natural steam

- Integrated display shows progress

Fits various bottle types and other products

- Sterilises various bottles, breast pumps and accessories

Highlights

Integrated display

The steriliser features an integrated display to show how the sterilising cycle is progressing. It also lets you know when the bottles have cooled down and are safe to remove.

Works across bottle types

The steriliser is suitable for use with both standard-neck and wide-neck baby bottles. It also fits other baby products like breast pumps and accessories.
