

Philips Avent  
DECT Baby Monitor

SCD498/00

## Guaranteed zero interference

With DECT digital technology

This digital technology provides a secure, private connection, because you want to be the only one listening to your baby. Automatically chooses an unused channel and switches if it detects another device using the same channel.

### **Complete peace of mind**

- Indicates a continuous connection between the two units
- Uses lights to indicate if the baby makes a noise
- Guarantees zero interference from any other device

### **Ultimate mobility in and around the house**

- Belt clip and neck cord for hands-free convenience
- Small, mobile parent unit to freely roam around the house
- Rechargeable parent unit for minimum 24 hours of monitoring
- 300-m range ensures secure reception in and around the house
- Travel pouch for easy storage

### **Soothing sights and words**

- Allows you to talk to the baby
- Comforts the baby in the dark with soothing stars

**PHILIPS**  
**AVENT**

# Highlights

## Guaranteed zero interference

Guarantees zero interference from any other device (other baby monitors, cordless phones and mobile phones). Provides a secure and private connection using data encryption. You will be the only one who can hear your baby and you will only hear your own baby.

## Digital signal confirmation

Indicates a continuous connection between the baby and the parent unit with visible and audible link indicators.

## Sound level lights

Uses lights to indicate if the baby makes a noise, even with volume off.

## Travel pouch

Travel pouch for easy storage while travelling.

## Belt clip and neck cord

The belt clip and neck cord provide hands-free convenience and mobility: clip the parent unit to your belt or wear it around your neck.

## Rechargeable parent unit

The rechargeable parent unit gives you a minimum of 24 hours of cordless monitoring with a range of up to 300 m (900 feet).

## Small, mobile parent unit

Allows you to freely roam around the house due to the small size, but still hear when your baby needs you.

## With a range of up to 300 m

With a range of up to 300 m you are assured of a secure reception in and around the house.

## Starry night-light

Nightlight with soothing stars to comfort your baby.

## Parent talkback

Allows you to hear the baby and talk to the baby.
