#### Sterile for 24 hours

- Stays sterile for 24 hours\*

# In evidenza

## Kills 99.9% of germs\*

Sterilizing is gentle, effective and chemical-free with Philips Avent. Every sterilizer uses the power of pure steam – nothing more, nothing less – to kill 99.9% of harmful germs\*.

## Sterilize in just 10 mins

Experience speed and safety with the sterilizing cycle lasting just 10 minutes, after which the sterilizer automatically turns itself off.

## Integrated drip tray

Our new drip tray protects the heating plate from milk droplets, reducing the chance of unpleasant odors.

## The all-in-one solution

Our advanced sterilizer is adaptable, reducing in size for smaller items like soothers, and to minimize your counter-top space when not in use.

## Sterile for 24 hours\*

The sterilizer's thorough, chemical-free cleaning will keep its contents sterile for up to 24 hours. How? Just keep the lid on.

## Space-saving design

Our sterilizer is slender and yet still holds up to six Philips Avent baby bottles. It also fits all the other essentials, from teats and soothers to a manual breast pump.

## Easy to clean and assemble

Top to bottom, inside and out, the sterilizer is quick and easy to clean – even the heating plate. So you get more time to be with your little one.
