# Highlights

## Non-spill spout

Patented valve controls flow to avoid spillage, even if held upside down or if left on its side.

## Entire cup can be sterilized

Entire cup can be sterilized for hygiene purposes

## Flip-top lid keeps spout clean

The flip-top lid always gives you hygienic reassurance keeping the spout clean at home and when on the go.

## Dishwasher safe

All parts are dishwasher safe for convenience

## Measurement on cup

Measurement scale on the cup for easy preparation of your child's drink

## Educational storytelling design

The colored designs encourage fun learning: recognize animals and fruits, count the apples and discover where the food comes from. The complexity of the designs increases with the age of the child.

## Completely interchangeable

Cups, spouts and handles can be used with the entire Philips Avent range, attach directly to breast pumps or use a nipple instead of the spout when feeding. The soft spout and handles can also be put on the feeding bottle for an easy transition from bottle to cup

## Hard spout 12m+

A bite resistant spout for children confidently drinking from cup, ideal for teething babies
