## Effective pain relief

Deep penetrating infrared warmth

Philips InfraCare gives effective pain relief for muscles and joints. Its 300 Watt infrared lamp is very comfortable and the warmth penetrates deep into the skin, stimulates blood circulation and gives relief for "zone" areas of 40x30 cm.

### Effective pain relief

- Deep penetrating Infrared warmth

# Specifications

## Easy to use

- Adjustability: 0-40 degrees (backwards)
- On/off switch
- Soft-touch handgrip: for easy transport and positioning

## Weight and dimensions

- Product weight: 1.4 kg
- Product dimensions: 20x30.9x17.2 (WxHxD) cm

## Technical specifications

- Power: 300 W
- Cord length: 200 m
- Voltage: 230 V
- Frequency: 50/60 Hz

## Weight and dimensions

- A-box dimensions: 29x40.4x74.5 (WxHxD) cm
- F-box weight: 1.8 kg
- A-box weight: 5.4 kg
- Qnt. on Euro pallet: 60 pcs
- No. of F-boxes in A-box: 3 pcs
- F-box dimensions: 28x38.6x24.5 (WxHxD) cm

## Technical specifications

- Battery: LR-54-Alkaline, 1,5 V (lifetime 200 actions)

- Insulation: Class II (double isolation)
- Lifetime of lamps: 500 hour(s)

## Safety

- IEC certified: Complies to IEC 60601 and 60335

## Logistic data

- Country of origin: Germany

## Medical appliance

- Medical Device Directive: 2007/47/EC, MDD 93/42/EEC

## Logistic data

- CTV code: 884363101000

## Effective pain relief

- Deep penetrating warmth

## Zone treatment

- Treatment area: 40x30 cm
- Infrared halogen lamp: 300 W

## Treatment control

- Digital timer: with auditive feedback

# Highlights

## Deep penetrating Infrared warmth

Infrared light has been proven to effectively relieve aches and pains caused by muscular pains and stiff joints. The comfortable warmth created by infrared light penetrates deep into your skin, stimulates blood circulation and warms your muscles. As your muscles are soothed, they automatically loosen up and relax. Because it makes the tissue more pliable, warmth also reduces stiffness and makes joints more flexible.
