## Highlights

### Soft spout with no-spill valve

The patented valve of the Philips Avent spout cup controls flow and ensures no spillage, even if held upside down or if left on its side

### Dishwasher safe

All parts are dishwasher safe for convenience

### Entire cup can be sterilised

Entire cup can be sterilised for hygiene purposes

### Measurement on cup

Measurement scale on the cup for easy preparation of your child's drink

### Soft spout for 6m+

The soft, flexible spout is ideal for the transition from breast or bottle to a cup

### Completely interchangeable

Cups, spouts and handles can be used with the entire Philips Avent range; attach directly to breast pumps or use a teat instead of the spout when feeding. The soft spout and handles can

also be put on the feeding bottle for an easy transition from bottle to cup

### Educational storytelling design

The coloured designs encourage fun learning: recognise animals and fruits, count the apples and discover where food comes from. The complexity of the designs increases with the age of the child.

### Flip-top lid keeps spout clean

The flip-top lid always gives you hygienic reassurance, keeping the spout clean at home and when on the go.
