- Clinically proven

Clinically proven effective

- Patented Let-down Massage Cushion

Stimulate and Express

- Soft massage cushions trigger natural let-down, like baby
- Gentle vacuum mimics baby's suckling for steady milk flow

Flexible and portable

- Easy to assemble and use

PHILIPS
AVENT

Manual breast pump
Includes 4oz bottle

Highlights

Patented Let-down Massage Cushion

Five, soft petal massagers of the Philips Avent breast pump gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's

suckling action and is intended to help stimulate a fast natural let down.

Easy to assemble and use

Quiet and portable.

Clinically proven

Clinically proven to express more milk than a hospital grade double electric pump*.
