

Philips Avent  
Manual breast pump set

On-the-go set

SCF300/13

## Express more. Quickly.

Enhanced efficiency from a manual breast pump

The unique Philips Avent BPA Free Manual Breast Pump SCF300/13 assures you enhanced efficiency, being clinically proven to express more milk than a hospital grade double electric breast pump\*.

### **Benefits and features:**

- With insulated travel bag and cool packs

### **Helps you breastfeed longer**

- More milk, naturally

### **Stimulate and Express**

- Gentle vacuum mimics baby's suckling for steady milk flow
- Soft massage cushions trigger natural let-down, like baby

### **Flexible and portable**

- Easy to assemble and use

**PHILIPS**  
**AVENT**

## Highlights

### With insulated travel bag and cool packs

Everything you need to maintain your milk supply and to express and store your breast milk when away from your baby.

### Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

### Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's

suckling action and is intended to help stimulate a fast natural let down.

### Easy to assemble and use

Quiet and portable.

### More milk, naturally

Expression allows breast milk to be available, even when you can't be there
