

Philips Avent
Digital baby thermometer
set

SCH540/00

Gentle and accurate

Combining a digital and a soother baby thermometer

Helping you to get a measurement of your baby's temperature, without upsetting it. The soother thermometer SCH540/00 uses the same shield and teat as the Avent Freeflow soother for easy transition from soother to temperature measurement.

Convenient for you and your baby

- Includes Avent Freeflow Pacifier

Fast and reliable digital temperature readings

- Clear measurement displays and battery status indicators
- Battery low indicator

Comfort for your child

- Soft, flexible tip digital thermometer
- Choice to adapt temperature measurement method to suit baby
- Specially designed pacifier thermometer
