

Guaranteed zero interference

With DECT digital technology

Enjoy complete reassurance. With DECT digital technology, you are guaranteed a secure, zero interference connection between you and your baby. For extra peace of mind, monitor your baby's room temperature from your parent unit.

Complete peace of mind

- Indicates a continuous connection between the two units
- Uses lights to indicate if the baby makes a noise
- Rechargeable parent unit for minimum 24 hours of monitoring
- Allows you to talk back to the baby
- Guarantees zero interference from any other device
- Remotely monitor the baby's room temperature

Ultimate mobility in and around the house

- Small, mobile parent unit to freely roam around the house
- 300-m range ensures secure reception in and around the house
- The neck cord provides hands-free convenience and mobility
- Travel pouch for easy storage

Soothing words

- Comforts the baby in the dark with soothing stars
- Five lullabies soothe baby to sleep

PHILIPS

Highlights

Room temperature thermometer

Remotely monitor the baby's room temperature for extra comfort and control.

Guaranteed zero interference

Guarantees zero interference from any other device (other baby monitors, cordless phones and mobile phones). Provides a secure and private connection using data encryption. You will be the only one who can hear your baby and you will only hear your own baby.

Rechargeable parent unit

The rechargeable parent unit gives you a minimum of 24 hours of cordless monitoring with a range of up to 300 m (900 feet).

Digital signal confirmation

Indicates a continuous connection between the baby and the parent unit with visible and audible link indicators.

Talk-back

Allows you to talk back to the baby.

Sound level lights

Uses lights to indicate if the baby makes a noise, even with volume off.

Travel pouch

Travel pouch for easy storage while travelling.

Neck cord

The neck cord provides hands-free convenience and mobility: clip the parent unit to your belt or wear it around your neck.

Small, mobile parent unit

Allows you to freely roam around the house due to the small size, but still hear when your baby needs you.

With a range of up to 300 m

With a range of up to 300 m you are assured of a secure reception in and around the house.

Starry night-light

Nightlight with soothing stars to comfort your baby.

Five lullabies

Five lullabies soothe baby to sleep.
