

PHILIPS

AVENT

Single electronic
breast pump

Out and about set

SCF312/13

Designed for Comfort

Optimum comfort breast pump with massage cushions

Being stressed or in a hurry can make it more difficult to release milk and can also affect your milk supply. So feeling comfortable and relaxed really helps. Our breast pump has been designed to increase your comfort when you are pumping.

Designed for comfort

- Remembers your personal rhythm
- Patented soft 5-petal massage cushion

Clinically proven effective

- Gentle yet effective results

Other great features

- Unique system for easy milk storage
- Also use as a manual breast pump

Highlights

Also usable as a manual breast pump

Can also be used as a manual breast pump when that's more convenient

Gentle yet effective results

The gentle-draw vacuum of the Philips Avent breast pump mimics a baby's natural suckling action for comfortable efficacy

Patented soft massage cushion

The unique active massage cushion is intended to help stimulate natural let-down

Remembers your personal rhythm

Only Philips Avent's electric breast pumps have a unique memory feature that learns and continues your personal pumping rhythm for maximum comfort

Unique milk storage system

Make your life easier by expressing directly into any of our wide range of Philips Avent baby bottles and breast milk storage containers for the fridge or freezer
