AVENT

Manual breast
pump set

On-the-go set

SCF300/13

Express more. Quickly.

Enhanced efficiency from a manual breast pump

The unique Philips Avent BPA Free Manual Breast Pump SCF300/13 assures you enhanced efficiency, being clinically proven to express more milk than a hospital grade double electric breast pump*.

Benefits and features:

- With insulated travel bag and cool packs

Helps you breastfeed longer

- More milk, naturally

Stimulate and Express

- Gentle vacuum mimics baby's suckling for steady milk flow
- Soft massage cushions trigger natural let-down, like baby

Flexible and portable

- Easy to assemble and use

Highlights

With insulated travel bag and cool packs

Everything you need to maintain your milk supply and to express and store your breast milk when away from your baby.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Soft massage cushions

Patented massage cushions of the Philips Avent breast pump flex in and out, replicating baby's suckling action and is intended to help stimulate a fast natural let down.

Easy to assemble and use

Quiet and portable.

More milk, naturally

Expression allows breast milk to be available, even when you can't be there

Specifications

Country of origin

England
