

PHILIPS

AVENT

4-in-1 Electric Steam Steriliser

Electric Steriliser

Sterilises in 6 minutes

Fits 6 Philips Avent bottles

Adjustable 4-in-1 design

SCF287

The easiest way to sterilise

Adjustable size and dishwasher basket

Our new electric steam steriliser (also spelt sterilizer) has been designed to make sterilising bottles as simple as possible. The 4-in-1 steriliser has an integrated dishwasher basket for hassle free pre-cleaning and an advanced display to keep you informed.

Easy to clean and safe sterilizing

- Easy to clean and safe sterilizing

Fast, effective sterilization using natural steam

- Integrated display shows progress

Fits various bottle types and other products

- Sterilises various bottles, breast pumps & accessories

Highlights

Integrated display

The sterilizer features an integrated display to show how the sterilizing cycle is progressing. It also lets you know when the bottles have cooled down and are safe to remove.

Open design

With our open design you can easily keep the heating plate clean, allowing you to sterilize with clean steam every time.

Works across bottle types

The steriliser is suitable for use with both standard neck and wide neck baby bottles. It also fits other baby products like breast pumps and accessories.
