# Highlights

## Flexible, soft shield

Sensitive skin needs extra care. Our shield technology lets this soother follow the natural curves of your baby's face for a comfortable fit. Your little one will experience fewer skin marks and less irritation.

## Rounded shield

Our rounded shield minimizes pressure for comfortable soothing that's gentle on your little one's cheeks.

## 98% nipple acceptance\*

When we asked moms how their little ones respond to our textured silicone nipples, on average 98% said that their baby accepts Philips Avent ultra soft and ultra air pacifiers.

## Silky textured nipple

This pacifier's silky, textured silicone nipple soothes and comforts your little one.

## Healthy oral development

Look after your little one's oral development with a symmetrical nipple that respects the natural shape of their palate, teeth and gums.

## Easy sterilization & storage

The ultra soft travel case doubles as a sterilizer, so all you need to do is add some water and pop it in the microwave. Then rest easy that it's clean for the next use.
