Ideal for newborns

Easy to combine with breastfeeding

Our Natural 2 oz bottle provides the ideal food amount for newborns. Designed with the First Flow nipple, it has a slower, more controlled flow rate. The soft, textured, wide-shaped nipple more closely resembles the breast.

Easy to combine breast and bottle feeding

- Natural latch on due to the wide breast shaped nipple
- This bottle is BPA free*

A more comfortable and contented feed for baby

- Unique Petals for a soft, flexible nipple without collapse
- Available in different sizes
- Compatible with Philips Avent range

Vents air away from your baby's tummy

- Advanced anti-colic system with innovative twin valve

Highlights

Slower flow nipple

A smaller hole size delivers a more controlled flow rate for slower drinking babies. The Natural First nipple is the ideal flow rate to start bottle feeding your baby.

2oz/60ml bottle container

A smaller size bottle to help ensure the appropriate amount for baby's smaller tummy

Soft, textured nipple

The softer, textured teat more closely resembles the breast.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Different sizes

The Philips Avent Natural bottle is available in 4 sizes: 2oz/60ml, 4oz/125ml, 9oz/260ml and 11oz/330ml. Bottles are available in single and multi packs.

Growing with your baby

The Philips Avent Natural bottle is compatible with the Philips Avent range, excluding Classic bottles and cup handles. We advise to use the Natural bottles with Natural feeding nipples only.

Natural latch on

The wide breast shaped nipple promotes natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

This bottle is BPA free*

The Philips Avent Natural bottle is made of BPA free* material (polypropylene).

Unique comfort petals

Petals inside the nipple increase softness and flexibility without nipple collapse. Your baby will enjoy a more comfortable and contented feed.
