Highlights

Flexible, soft shield

Sensitive skin needs extra care. Our shield technology lets this soother follow the natural curves of your baby's face for a comfortable fit. Your little one will experience fewer skin marks and less irritation.

Rounded shield

Our rounded shield minimizes pressure for comfortable soothing that's gentle on your little one's cheeks.

98% nipple acceptance*

When we asked moms how their little ones respond to our textured silicone nipples, on average 98% said that their baby accepts Philips Avent ultra soft and ultra air pacifiers.

Silky textured nipple

This pacifier's silky, textured silicone nipple soothes and comforts your little one.

Orthodontic nipple

Our collapsible silicone nipple has a symmetrical shape that respects your baby's palate, teeth and gums as he or she grows.

Easy sterilization & storage

The ultra soft travel case doubles as a sterilizer, so all you need to do is add some water and pop it in the microwave. Then rest easy that it's clean for the next use.
