## Highlights

#### Lets baby's skin breathe

Extra-large airholes ventilate your baby's skin keeping it dryer while soothing.

#### 98% nipple acceptance\*

When we asked moms how their little ones respond to our textured silicone nipples, on average 98% said that their baby accepts Philips Avent ultra soft and ultra air pacifiers.

#### Nipple made of 100% silicone

We choose consciously for silicone material for our ultra soft and ultra air nipples, since its a safe and inert material, widely used in medical applications, free of hazardous chemicals, endocrine active substances (e.g. BPA) and allergens.

#### **Orthodontic nipple**

Our orthodontic, symmetrical soft silicone nipples are designed for natural oral development.

#### **Natural feel for baby**

Our textured silicone nipple is designed to mimic the feel of mom's breast.

#### Sterilize in 3 minutes

The travel case that comes with our ultra soft and ultra air pacifiers doubles as a sterilizer. All you need to do is add some water and pop it in the microwave. Then rest easy that it's clean for the next use.

#### **Produced in the Netherlands**

Our ultra soft and ultra air pacifiers are designed and produced in the Netherlands.
