

Philips Avent  
Conversion kit for breast  
pumps

SCF264/00

## Easily adapts to breast pumps

Fits all Philips Avent breast pumps

The Philips Avent SCF264/00 conversion kit works with most manual and single or double electric breast pumps on the market

**Benefits and features:**

- Works with all Philips Avent baby bottles

**PHILIPS**  
**AVENT**

# Specifications

## Country of origin

- England

## Development stages

- Stage: 0 - 6 months

# Highlights

## Works with all of our bottles

Converters allow you to express directly into the Philips Avent Baby Bottles. Insert a sealing disc to store breast milk in the fridge or freezer. Simply replace sealing disc with a Philips Avent nipple for feeding - no need to transfer milk.
