# Highlights

## Clinically proven results\*

The gentle-draw vacuum of the Philips Avent breast pump mimics a baby's natural suckling action and gets more milk than a hospital grade double electric pump\*

## Patented soft massage cushion

The unique active massage cushion is intended to help stimulate natural let-down

## Unique milk storage system

Make your life easier by expressing directly into any of our wide range of Philips Avent baby bottles and breast milk storage containers for the fridge or freezer

## Easy manual operation

The manual breast pump is ideal if you express milk occasionally and value compactness. Easily operated with one hand.
