ultra soft snuggle

Highlights

Includes ultra soft pacifier

Cuddly soft plush toy included with our ultra soft pacifier. Made of flexible silicone, it's soft on baby's delicate skin and designed to prevent skin marks.

Soft, flexible shield

To help protect delicate skin, our ultra soft flexible shield follows the shape of baby's cheeks. It leaves fewer marks and less irritation so that babies can enjoy a more comfortable soothing experience.

98% nipple acceptance

Babies know what they like! We asked moms how their little ones respond to our textured silicone nipples and 98% said that their babies accept the Philips Avent ultra soft pacifiers.

Detaches for easy cleaning

Plush toy easily detaches from ultra soft pacifier and both are easy to clean.

Easily cleaned and sterilized

Plush toy can be machine or hand washed. ultra soft pacifier can be cleaned in dishwasher, a sterilizer or in boiling water. Feel good knowing it is always clean and safe for your little one.

Easy to find

No more hunting and searching for pacifiers! The plush toy makes the pacifier easy to find.

Helps keep pacifier in place

Plush toy is soft and lightly weighted, which helps keep ultra soft pacifier close to baby. This helps keep it and the pacifier in place while keeping baby company.
