PHILIPS
AVENT

Highlights

Overnight protection

Philips Avent breast pads have a wider shape and thicker core for added absorbency. Double adhesive strips secure the pad in place.

All-round leakage barrier

Designed for extra protection when lying down.

Ultra dry

The Philips Avent breast pads have multiple layers for super absorbency.

Developed with an expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.

Hygienic

Individually wrapped for extra hygiene.

Silky-soft feel

Silky-soft top-sheet and breathable, natural materials. Dermatologically tested.
