## Comfort with confidence

### Extra-soft and absorbent breast pads

Philips Avent Washable Breast Pads SCF155/06 have a brushed cotton lining which is soft and gentle and features an absorbent layer which draws moisture away from the skin behind a leak-proof liner.

#### **Feel confident and relaxed**

- Anti-slip with adhesive tapes
- Developed with a breastfeeding expert
- Hygienic
- Soft with discreet, contoured shape
- Reusable with soft brushed cotton lining

#### **No leakage of breast milk**

- Extra soft and absorbent

## Highlights

### Extra soft and absorbent

Absorbent padding draws moisture away from the skin and traps it behind a leak-proof liner.

### Anti-slip adhesive tape

Anti-slip due to adhesive tapes to keep the breast pad in place.

### Developed with an expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.

### Hygienic

Individually wrapped for extra hygiene.

### Reusable with soft brushed cotton lining

Brushed cotton lining – soft and gentle against the skin. Machine washable and dryable.

### Soft with discreet, contoured shape

Philips Avent breast pads have a contoured shape that allows you to wear them discreetly under your clothing.

### Silky-soft feel

Brushed cotton lining
