 Product Picture

## Comfortable and discreet

### Avent breast pads

The unique Philips Avent SCF254/30 breast pads are specially designed to help you stay dry and comfortable during the day.

#### **Feel confident and relaxed**

- Invisible under clothes
- Anti-slip with adhesive tapes
- Developed with a breastfeeding expert
- Hygienic
- Silky-soft feel
- Soft with discreet, contoured shape

#### **No leakage of breast milk**

- Unique four layered construction for maximum dryness

# Highlights

## Invisible under clothes

Ultra thin with a contoured shape. Adhesive strip to keep the pads in place.

## Anti-slip adhesive tape

Anti-slip due to adhesive tapes to keep the breast pad in place.

## Developed with an expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.

## Hygienic

Individually wrapped for extra hygiene.

## Silky-soft feel

Silky-soft top-sheet and breathable, natural materials. Dermatologically tested.

## Soft with discreet, contoured shape

Philips Avent breast pads have a contoured shape that allows you to wear them discreetly under your clothing.

## Unique, layered construction for maximum dryness

1. ULTRA soft top layer with nipple indent — keeps breast dry at all times. 2. ULTRA absorbent layer, cushioned for extra comfort. 3. ULTRA absorbent core — draws in moisture to guard against embarrassment. 4. ULTRA breathable outer layer — helps avoid sore nipples. Anti-slip with adhesive tapes — keeps pad in place.
