

# Sip, no drip

SCF252

The Philips Avent soft spouts are designed for delicate gums and are the ideal first step from breast or bottle to a drinking cup. They include patent pending leak proof valve which makes replacement easy for the Sip, no drip spout cups.

## Non-spill

• Leak free! Moms confirm

## Ideal first step to a drinking cup

• Angled spout mitigates head tilting

# Other benefits

• This cup is made from BPA free material

## Convenient for you and your baby

- All parts are dishwasher safe for convenience
- Compatible with Philips Avent bottles and cups

# Highlights

## Cup is dishwasher safe

All parts are dishwasher safe for convenience

### **Angled spout**

The angled spout is designed to help toddlers take their first sips easily without tilting their head back too much.

# **BPA Free**

This Philips Avent cup is made from BPA free material.

## Leak free! Moms confirm

No more mess! The new patent pending valve ensures that water comes out only when the child is drinking from the spout.

### **Philips Avent compatibility**

All Philips Avent bottles and cups are compatible excluding the glass bottles and the Grown-up cups/My First Big Kid Cups. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.
