#### Silky soft feel

• Honeycomb top sheet

## Ultra absorbent

• Ultra absorbent material and triple layered core design

## **Ultra thin and discreet**

- 2 adhesive strips to keep pads in place
- Individually wrapped for your hygiene
- Only 2mm thin on average
- Developed with expert

# Highlights

## **Honeycomb texture**

Honeycomb top sheet is soft and comfortable against your skin.

#### **Ultra absorbent core**

Ultra absorbent core helps to trap moisture and keep skin dry day and night.

#### **Leak proof & breathable**

Out layer provides leak proof effect to keep clothes dry, yet gives breathable feeling.

#### **Individually wrapped**

Individually wrapped for your hygiene, perfect for on-the-go.

### 2 adhesive strips

2 adhesive strips to keep pads in place.

#### **Ultra thin material**

Only 2 mm thin on average with contoured shape, helps to make pads invisible under clothes.

#### **Developed with expert**

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.
