Highlights

Cup is dishwasher safe

All parts are dishwasher safe for convenience

Angled spout

The angled spout is designed to help toddlers take their first sips easily without tilting their head back too much.

BPA Free

This Philips Avent cup is made from BPA free material.

Leak free! Moms confirm

No more mess! The new patent pending valve ensures that water comes out only when the child is drinking from the spout.

Philips Avent compatibility

All Philips Avent bottles and cups are compatible excluding the glass bottles and the Grown-up cups/ My First Big Kid Cups. So you can mix and match to create the perfect cup, suiting your toddler's individual development needs.
