# Highlights

## Honeycomb texture

Honeycomb top sheet is soft and comfortable against your skin.

## Ultra absorbent core

Ultra absorbent core helps to trap moisture and keep skin dry day and night.

## Leak proof & breathable

Out layer provides leak proof effect to keep clothes dry, yet gives breathable feeling.

## Individually wrapped

Individually wrapped for your hygiene, perfect for on-the-go.

## 2 adhesive strips

2 adhesive strips to keep pads in place.

## Ultra thin material

Only 2 mm thin on average with contoured shape, helps to make pads invisible under clothes.

## Developed with expert

Developed in collaboration with a midwife and breastfeeding advisor who has been supporting mums with breastfeeding for 20 years.
