HH1052/02

Like wearing nothing at all.*

With the freedom and comfort of DreamWear Full Face, you can sleep how you want.

Magnetic clips

- The headgear clips and mask frame contain magnets

Open field of vision

- Open design offers a wide field of vision

Innovative design

- Freedom of movement
- A modular design for more options

Comfort and ease of use

- Easy to use
- Soft, flexible frame
- Under the nose full face cushion

Highlights

Freedom of movement

By moving the tube location to the top of the head, DreamWear Full Face offers more freedom of movement during the night. Users stated they didn't need to choose a sleeping position when wearing DreamWear Full Face.*

No more nose bridge red marks

The under the nose innovative design of the cushion means no more red marks, discomfort, and irritation on the nose bridge.**

Unobstructed view

Open design makes it easy to wear glasses, read, watch TV, and use a computer or tablet before falling asleep.**

Like wearing nothing at all

The soft, flexible frame is comfortable to wear at night. Users have stated it feels like wearing nothing at all.*

Freedom of choice

The modular design allows users to choose the cushion that works best for them, all on one frame.

Easy to use

Only a few parts for easy assembly, disassembly and cleaning.

Magnetic clips

Contact your healthcare professional before you use this mask. Some medical devices may be affected by magnetic fields. The magnetic clips in this mask should be kept at least 2 in. (50mm) away from any active medical device with special attention to implanted devices such as pacemakers, defibrillators and cochlear implants. Read in-pack IFU for more information.

Specifications

Warning: Magnetic interference

Beware with pacemakers: Read IFU's before use.
