## Highlights

### Freedom of movement

By moving the tube location to the top of the head, DreamWear Full Face offers more freedom of movement during the night. Users stated they didn't need to choose a sleeping position when wearing DreamWear Full Face.\*

### No more nose bridge red marks

The under the nose innovative design of the cushion means no more red marks, discomfort, and irritation on the nose bridge.\*\*

### Unobstructed view

Open design makes it easy to wear glasses, read, watch TV, and use a computer or tablet before falling asleep.\*\*

### Like wearing nothing at all

The soft, flexible frame is comfortable to wear at night. Users have stated it feels like wearing nothing at all.\*

### Freedom of choice

The modular design allows users to choose the cushion that works best for them, all on one frame.

### Easy to use

Only a few parts for easy assembly, disassembly and cleaning.

### Magnetic clips

Some medical implants may be contraindicated for use with magnetic devices and this mask may not be suitable for use. Contact your healthcare professional before you use this mask.
