Natural

SCD290/00

The natural way to start bottle feeding

Bottle, teat and soother set

A handy collection including 4 Natural bottles (2 x 4 oz and 2 x 9 oz), a bottle and teat brush, and a white Advanced orthodontic soother 0-6 months (designed to help healthy oral development). The new bottle makes bottle feeding more natural

Easy to combine breast and bottle feeding

- Natural latch on due to the wide breast-shaped teat

A more comfortable and contented feed for baby

- Unique Petals for a soft, flexible teat without collapse

Vents air away from your baby's tummy

- Advanced anti-colic system with innovative twin valve

Other benefits

- Compatible with the Philips Avent Natural range
- Advanced orthodontic soother
- Bottle brush with curved brush head for easy cleaning
- Simple to use and clean, quick and easy assembly
- These bottles are BPA free*

Easy to hold and grip in any direction

- Ergonomic shape for maximum comfort

PHILIPS
AVENT

Highlights

Natural latch on

The wide, breast-shaped teat promotes natural latch-on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Unique comfort petals

Petals inside the teat increase softness and flexibility without teat collapse. Your baby will enjoy a more comfortable and contented feed.

Advanced anti-colic valve

Innovative twin valve designed to reduce colic and discomfort by venting air into the bottle and not baby's tummy.

Ergonomic shape

Due to the unique shape, the bottle is easy to hold and grip in any direction for maximum comfort, even for baby's tiny hands.

Advanced orthodontic soother

Developed with leading orthodontist Dr. Hagemann, the advanced orthodontic soother is designed to help healthy oral development. It features wings specially shaped to minimise pressure on gums and developing teeth.

Compatibility across the range

The new Philips Avent Natural bottle is compatible with the Philips Avent range, excluding Classic bottles and cup handles. We

advise using the Natural bottles with Natural feeding teats only.

Curved brush head

Specially curved brush head and moulded handle-tip reach the corners of all wide neck bottles, teats and feeding products for thorough cleaning.

Simple to use and clean

Wide bottle neck makes filling and cleaning easy. Only a few parts for quick and simple assembly.

These bottles are BPA free*

The new Philips Avent Natural bottles are made of BPA free* material (polypropylene).

Specifications
