The most natural way to bottle feed

Easy to combine with breastfeeding

A handy collection including 4 Natural Smooth PA bottles (2x 4oz and 2x 9oz) and a bottle and teat brush. The bottles make feeding more natural, for easily combining breast and bottle feeding.

Easy to combine breast and bottle feeding

- Skin-soft teat designed for a natural feed
- Flexible spiral design combined with comfort petals
- Natural latch on due to the wide breast shaped teat

Vents air away from your baby's tummy

- Unique anti-colic valve technology

Other benefits

- Bottle brush with curved brush head for easy cleaning
- Simple to use and clean, quick and easy assembly
- BPA and BPS free*
- Compatible with Philips Avent range
- Different teat flow rates available in the range
- Ergonomic shape for easy holding
- PA material is light, durable and transparent as glass

Highlights

Natural latch on

The wide breast shaped teat promotes natural latch on similar to the breast, making it easy to combine breast and bottle feeding.

Skin-soft teat

The skin-soft nipple material closely resembles the feeling of the breast, making it easy for your baby to combine breast and bottle feeding.

Flexible spiral teat design

The spiral design combined with our comfort petals inside the nipple increases softness and the flexibility allowing natural tongue movement without nipple collapse. Designed to give your baby a more comfortable and content feeding.

Anti-colic valve technology

Reduces fussing and discomfort by venting air away from baby's tummy.

Made of Polyamide

The high-quality, imported PA material is a light but durable plastic, and as transparent as glass. Portable and resistant to high-temperature sterilisation, bottle can be used to heat up milk directly.

BPA and BPS free

The Philips Avent Natural PA bottle is made of BPA and BPS free material (polyamide).

Curved brush head

Specially curved brush head and molded handle-tip reach the corners of all wide neck bottles, nipples and feeding products for thorough cleaning.

Simple to use and clean

Wide bottle neck makes filling and cleaning easy. Only a few parts for quick and simple assembly.

Ergonomic shape

Due to the unique shape, the bottle is easy to hold and grip in any direction for maximum comfort, even for baby's tiny hands.

Compatibility across the range

The Philips Avent Natural PA bottle is compatible with most of the Philips Avent range.

Fits your baby's growing needs

The Philips Avent range offers different teats for every development stage of your baby. With different teat softness, flexibility and design and with increasing flow rates that keep up with your baby's growth and development. Remember that age indications are approximate as babies develop at different rates.
