# Highlights

## Curved brush head

Specially curved brush head and molded handle-tip reach the corners of all wide neck bottles, nipples and feeding products for thorough cleaning.

## Holds 6 Philips Avent bottles

Despite its small size, it is the only microwave sterilizer that is designed to fit 6 Philips Avent bottles. Whereas most microwave sterilizers will only fit 4 bottles, the Philips Avent Microwave Sterilizer allows you to sterilize a full day's worth of bottles in one go. It is also suitable for sterilizing breast pumps.

## Just add water

Just add water, load and place in the microwave for as little as 2 minutes. The exact length of the cycle will depend on the wattage of your microwave: 2 min at 1100-1850 Watt, 4 min at 850-1000 Watt, 6 min at 500-850 Watt.

## Orthodontic nipple

Philips Avent flat, drop-shaped symmetrical nipples respect the natural development of your baby's palate, teeth and gums, even if the pacifier ends upside-down in the mouth.

## Soothie pacifier 0-3 months

Used by medical professionals to calm newborns. Hospital grade silicone one piece construction, highly durable.
