All-in-one Gift Set

Natural

SCD205/08

The most natural way to bottle feed

Natural latch on

This All-in-One gift set provides key essentials for feeding and comforting your little one. The set includes four Natural bottles, a bottle warmer, bottle brush, sterilizer bags and a Soothie snuggle giraffe pacifier holder and pacifier

Easy to combine breast and bottle feeding

- Soft nipple designed to mimic the feel of the breast
- Natural latch on due to the wide breast shaped nipple
- Flexible spiral design combined with comfort petals

Vents air away from your baby's tummy

- Unique anti-colic valve technology

Other essential accessories included in set

- Convert bottles to storage containers with the sealing discs
- Bottle brush with curved brush head for easy cleaning
- Bottle and baby food warmer
- Includes Soothie, used by healthcare professionals
- ultra soft pacifier, for fewer skin marks & less irritation
- 5 microwave steam sterilizer bags, easy & fast sterilization

Highlights

Natural latch on

The wide breast shaped nipple promotes a natural latch on similar to the breast, making it easy for your baby to combine breast and bottle feeding.

Anti-colic valve technology

Our unique anti-colic valve technology was designed to reduce colic and discomfort, by venting air away from your baby's tummy.

ultra soft pacifier

The super soft, flexible shield follows the shape of your baby's cheeks, leaving fewer marks and causing less skin irritation for more comfortable soothing.

Ultra soft nipple

The nipple has an ultra soft texture, designed to mimic the feel of the breast.

Soothie snuggle

Soothie snuggle is a plush toy with Soothie, the pacifier used by healthcare professionals to calm newborns. Toy is soft, lightly weighted to help make babies feel secure. It's easy to find & hold. Detachable for easy cleaning and to attach any other Philips Avent pacifier.

Microwave steam sterilizer

Microwave steam sterilizer bags makes cleaning your bottles, nipples and breast pump parts easy and convenient, even when on the go.

Flexible spiral design

Flexible spiral design, combined with our unique comfort petals to create a flexible nipple, allowing for a more natural feed without nipple collapse.

Bottle and baby food warmer

Fast and easy to use. Heats gently and evenly. No hot spots so safe for baby.

Curved brush head

Specially curved brush head and molded handle-tip reach the corners of all wide neck bottles, nipples and feeding products for thorough cleaning.

Sealing discs

Used to convert all Philips Avent feeding bottles to breast milk and food storage containers.
