PHILIPS

Features

Large blade surface

Large blade surface ensures that larger area of the garment is covered at the same time, hence less strokes are needed to make your garment look new again

8800 rounds/min blade rotation

Blades rotate up to 8800 rounds/min for effective and quick removal of the fabric pills from your garments

Large removable pill container

The container, where the shaved off pills are stored, is easy to remove and empty.

Specially designed shaving head

Due to the three different hole sizes, all sizes of fabric pills will be drawn into it and effectively removed from the fabric.
