ActiveTouch

1500 W

Suction function

GC550/28

Better results with less effort with special suction function

Experience the convenience of this compact garment steamer with special suction function in the steamer head and remove creases from your garments quickly with less effort.

Special suction function

- Active stretching
- Better crease removal
- Less effort

Quick crease removal

- Powerful continuous steam

Safe on all garments

- Safe to use on delicate fabrics, like silks

Easy to use

- Easy to use
- No ironing board needed

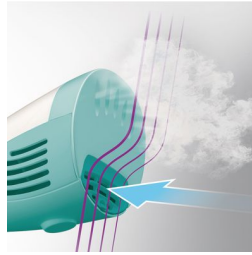

Highlights

Active stretching

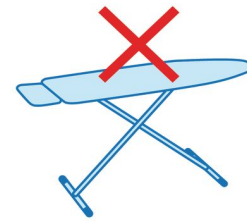

The suction function within the steamer head actively stretches the garment for optimal results.

Less effort

The suction function within the steamer head keeps the garment close to the steamer head making it easier to handle.

No ironing board needed

By using the steamer you do not need an ironing board anymore, which makes ironing hassle-free.

Better crease removal

The suction function within the steamer head brings the garment closer to the steam for enhanced steam penetration and better crease removal.

Powerful continuous steam

Powerful continuous steam is blown through the nozzles, enabling you to remove creases with only a few strokes.

Even for delicates like silks

The steamer is safe to use on all garments. It is a great solution for delicate fabrics like silks.

Easy to use

The steamer is very easy to use. The compact and portable design makes the steamer easy to carry and store.
