- Compact and stylish

#### Grind your favorite coffee beans

- Adjustable ceramic grinders

#### Easy to use

- Intuitive color coded user interface
- Ergonomic in day-by-day operations

#### Easy to clean and maintain

- Automatic coffee circuit cleaning
- Removable brewing group

# Highlights

## Espresso and long coffee

Whether you want to enjoy an espresso or a long coffee - your favorites are accessible with a touch of a button

## Adjustable ceramic grinders

Whole beans are freshly ground for every cup by ceramic grinders, always preserving their full aroma and never overheating the coffee.

## Auto coffee circuit cleaning

This feature makes sure that each and every coffee is as fresh as possible: Before going into and when returning from stand-by mode, the machine automatically cleans its coffee circuit.

## Removable brewing group

The brewing group is at the heart of every fully automatic coffee machine and it should always be kept clean. A task that doesn't get any more convenient than with a Saeco: remove, rinse and re-insert - finished.

## Compact and stylish

Compact and stylish the Syntia is designed to delight both your palate and your eyes - the perfect fit for a modern kitchen.

## Color coded user interface

Easy and intuitive interactions thanks to the LED combined with buttons - this interface directly communicates the key operating messages.

## Ergonomic day-by-day

Philips-Saeco is a synonym for convenience: refilling beans or water, emptying the coffee-dump box or the drip tray, all compartments are directly accessible.
