The healthier way to fry*

Crispy taste, reduces fat others leave behind*

The Philips Airfryer XXL uses hot air to fry your favorite foods with little or no added oil. New Twin TurboStar technology is designed to remove fat from the food, making this the healthier way to fry for you and your family.

The healthiest way to fry

- Fat Removal technology separates and captures excess fat
- Rapid Air technology for delicious crispier results
- Fry with little or no oil

Designed for your daily cooking

- XXL family size fits a whole chicken or 1.4 kg of fries
- 1.5 times faster than an oven*
- Digital display with 5 preset cooking programs
- Keep Warm mode for flexible serving time
- QuickClean and dishwasher-safe for all removable parts

Variety of cooking possibilities

- Fry. Bake. Grill. Roast. And even reheat.
- Hundreds of recipes in app and free recipe book included

Highlights

Bake. Grill. Roast. Or reheat

You can make hundreds of dishes in your Airfryer. Fry, bake, grill, roast and even reheat your meals. Every bite is as delicious as the last thanks to Philips Air flow and starfish design. It cooks food uniformly from all sides for perfect meals every time.

Inspiring recipes

From quick healthy snacks to full family meals, our free recipe book has more than 30 delicious ideas and easy-to-follow instructions from professional chefs. Our Philips Airfryer app is full of more tips, tutorials and easy-to-follow recipes.

XXL family size meals

Yes, you can cook family-size meals in the new Airfryer XXL. It's full-size capacity makes cooking a large, delicious meal easy. You can cook a whole chicken or even up to 1.4 kg of fries to satisfy hungry family or friends. Serve up to six portions with the large 7.3L capacity basket.

Digital display with 5 presets

The digital interface is easy to use with preset cooking programs for one-touch cooking of frozen fries, meat, fish, whole chicken and chicken drumsticks. A QuickControl dial sets both temperature and cooking time.

Fat Removal technology

Eat healthier dishes with excess fat removed from food. The Philips Airfryer is the only Airfryer with Fat Removal Technology that separates and captures excess fat. Enjoy delicious food that's crispy on the outside and tender on the inside with maximum taste and minimum fat.

Rapid Air technology

Philips' Rapid Air technology creates 7x faster airflow for deliciously crispy results*. Enjoy healthier and tasty snacks and meals that are crisped to perfection yet tender on the inside.

Fry with little or no oil

The Airfryer uses hot air to cook your favorite food with little or no added oil, so you can fry with up to 90% less fat*. Enjoy great-tasting, crispy results like deep fried, with the least amount of fat.

1.5 times faster than an oven

Cooking is faster and more convenient than ever with the Philips Airfryer. Thanks to our instant heat and Rapid Airflow technology, your food will cook 1.5 times faster than in an oven. Best of all you don't need to preheat your AirFryer. Just turn it on and start cooking.

Keep Warm mode

With our handy Keep Warm mode, you can enjoy your meal when you're ready. It will keep your food warm and at the ideal temperature for up to 30 minutes.
