

Philips
Refurbished Steam
generator iron

Refurbished product

Max 5 bar pump pressure
180 g steam boost

HI5914

Faster ironing

With extra steam

This steam generator makes your ironing experience faster thanks to extra powerful continuous steam, and more convenient thanks to a 1.1 L detachable water tank.

Fast and powerful

- Powerful steam for ultimate crease removal
- Calc-clean container included — no cartridges, no extra cost
- Ceramic soleplate for durability and easy gliding

Compact and convenient

- 1.1-l detachable water tank
- Lightweight and compact for easy use and storage

PHILIPS

Highlights

Ultra-powerful steam

Strong, continuous steam tackles even the thickest fabrics with ease. Watch stubborn creases melt away with an extra steam boost just where you need it. This extra steam is perfect for vertical steaming to refresh clothes and curtains, too.

Detachable 1.1 l water tank

The water tank can be removed to be refilled easily under the tap. The large filling hole makes refilling fast. Thanks to the 1.1-l water tank capacity, you can iron for up to 2 hours continuously without any refills.

Compact and convenient

The lightweight, compact size is perfect for storage and fits conveniently on your ironing board.

Exclusive ProVelocity technology makes our steam generators smaller and more compact than ever.

Smart descaling

Our built-in descaling system, Smart Calc Clean, reminds you when you need to descale. It also includes a container to make descaling easy. This means no cartridges are required and there are no additional costs.

Ceramic soleplate

Our durable ceramic soleplate glides well on all garments. It is non-stick, scratch-resistant and simple to keep clean.
