Have it your way, exactly your way

MyAroma Control for personal taste setting. Timer

This sophisticated coffeemaker is ideal for people seeking excellent quality, in aroma as well as in design. The strength control feature and timer allow you to brew your coffee to your personal liking, at the time you want

Rich aroma to your liking

- MyAroma Control remembers the strength of your favourite coffee
- High speed pump ensures the optimal aroma

In the easiest way

- Detachable water tank for easy water filling
- Drip stop to interrupt the brewing whenever you like
- The appliance switches off automatically after brewing
- Reminds you when to decalcify your coffeemaker
- Drink your coffee when you want using the pre-settable timer
