Time and Temp control

Its integrated timer allows you to pre-set cooking times of up to 30 minutes. The auto-off function includes a "ready" sound indicator. The fully adjustable temperature control allows you to pre-set the best cooking temperature for your food up to 200 degrees. Enjoy crispy

golden-brown fries, snacks, chicken, meat and more, all prepared at the right time and temperature for the best result!

Included baking accessory

With this special Philips airfryer baking accessory you can make all your favourite baking recipes. Bake delicious cakes, bread, gratin, quiche and much more, quickly, easily and healthily!

Versatile cooking

Not just great for frying, the innovative Philips airfryer with Rapid Air technology also lets you grill, bake and even roast your favourite dishes for a one-stop solution for all of your meals.

International recipe booklet

This recipe book created by culinary experts gives inspiration for a variety of low-fat fried food that you can cook in the airfryer. It also

introduces you to recipes that showcase the versatility of the appliance so that you can grill, bake and even roast food more healthily, quickly and conveniently.

Unique product design

Philips airfryer's unique design, which combines fast-circulating superheated air, a starfish design and an optimal heating profile, allows you to fry a variety of delicious meals quickly, easily and more healthily without necessarily adding oil.

Dishwasher-safe parts

The removable non-stick coated drawer and the food basket are dishwasher-safe for easy cleaning. Philips airfryer with Rapid Air Technology saves you and your home from the smell of fried oil compared to a normal fryer.
