

Philips FastCare
Refurbished Steam
generator iron

Refurbished product

Max 5.5 bar pump pressure
Up to 270 g steam boost
Detachable 2.2-l water tank

GC7717

Fast and convenient ironing

With detachable water tank

A large detachable water tank for easy refills, strong steam boost and the SteamGlide Ceramic soleplate will help you to reduce your ironing time significantly, while the carry lock and Smart CalcClean make ironing convenient.

Fast ironing with continuous powerful steam

- Integrated easy-clean system for long-lasting performance
- Great scratch resistance and easy gliding
- Powerful steam for ultimate crease removal

Extra convenience

- Lightweight steam generator for easier handling
- Large detachable water tank for easy refilling
- Safe and secure carry lock
- Automatic switch-off for safety and energy saving

PHILIPS

Highlights

Smart Calc clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected; your steam generator will beep once it's finished and ready to use again.

SteamGlide Ceramic soleplate

The SteamGlide ceramic soleplate is durable and non-stick, with high scratch resistance and a smooth glide over fabrics. Plus it's easy to

clean, especially compared to aluminium soleplates.

Ultra-powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even tough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

Lightweight steam generator

Thanks to revolutionary ProVelocity technology, we've been able to make a powerful steam generator iron that is much lighter than traditional models. This means it's more stable when positioned on your ironing board and carrying it around is much easier.

2.2-l detachable water tank

The detachable water tank allows you to easily refill anytime without stopping the appliance. It has a large filling hole so you can simply fill the water tank under the tap. It has a 2.2-l capacity, so you get the convenience of up to 2 hours of continuous use with no need to top up the tank.

Safe carry lock

Your steam generator iron includes a safe carry lock, which securely fastens your iron to its base without the risk of it slipping or someone touching the hot soleplate. It ensures safe and easy transportation around the house, to and from storage.

Specifications

Technology

- ProVelocity steam engine

Fast crease removal

- Continuous steam: up to 120 g/min
- Power: 2400 W
- Pressure: Max 5.5-bar pump
- Ready to use: 2 min
- Steam boost: up to 270 g
- Steam-on-demand
- Variable steam levels
- Vertical steam
- Voltage: 220 - 240 V

Easy to use

- Soleplate gliding performance: 3 stars
- Soleplate name: SteamGlide Plus
- Cord freedom (swivel): 360 degree cord freedom
- Detachable water tank
- Hose length: 1.6 m
- Power cord length: 1.8 m
- Ready to use: Light indicator, Sound indicator
- Refill anytime during use
- Safety auto off
- Soleplate scratch resistance: 3 stars
- Tap water suitable

- Heat-up time: 2 min
- Extra-large filling hole

Scale management

- Descaling and cleaning: Smart Calc Clean
- Descaling reminder: Light, Sound, Yes

Storage

- Carry lock: For transportation and safety
- Cord storage: Velcro fix
