

PHILIPS

Steam iron

GC4420

Power with precision

Super steam, super glide

For easier and smoother ironing, you want the best combination of gliding and powerful steam. This iron with SteamGlide soleplate provides you the best of both!

Easily removes creases

- Continuous steam of up to 40g/min for better crease removal
- 100g/min steam boost to remove stubborn creases easily

Smooth gliding

- SteamGlide soleplate for powerful steam and superb gliding

Reaches into tricky areas

- Steam Tip lets you iron right into hard-to-reach areas

Comfortable ironing

- 2400W and powerful steam for fast ironing
- Less refilling with extra-large water tank
- Double Active Calc System prevents scale build-up
- Extra-long 3m cord for maximum reach

Safe ironing

- Electronic safety shut-off when iron is left unattended

Highlights

Steam Tip

The unique Steam tip combines a particularly pointed front of the soleplate with special elongated steam slots in the tip, to reach right into the smallest and most difficult areas for the best ironing results.

Automatic safety shut-off

The electronic safety shut-off automatically switches the iron off when it is left unattended or tips over.

SteamGlide soleplate

The specially designed soleplate combines small vents for superior gliding on all fabrics and large vents for powerful crease removal
