Steam generator  
iron

PerfectCare  
Performer

Max 6.5-bar pump pressure

Up to 420 g steam boost

1.8 l water tank capacity  
with detachable water tank

GC8735/80

## Ultra-fast ironing with powerful continuous steam

The Philips PerfectCare Performer steam generator iron ensures a truly simple, powerful and burn-free ironing experience. The powerful continuous steam penetrates deeply and continuously into the fibre to remove creases easily.

### **No temperature setting needed; no burning, guaranteed**

- Go from ironing jeans to silk; no need to change temperature setting
- Safe to leave the hot soleplate on the ironing board

### **Fast ironing with continuous powerful steam**

- Integrated easy-clean system for long-lasting performance
- Philips' best gliding with increased scratch resistance
- Save energy with ECO mode
- Powerful steam for ultimate crease removal

### **Extra convenience**

- Lightweight steam generator for easier handling
- Large detachable water tank for easy refilling
- Safe and secure carry lock
- Automatic switch-off for safety and energy saving
- Enjoy powerful ironing with minimum noise
- SoftGrip comfortable handle with ergonomic shape

# Highlights

## Ultra-powerful steam

An ultra-fast ironing experience can be yours with revolutionary technology. The powerful and continuous steam tackles even tough creases, and thicker fabrics are smoothed out with ease and speed. Plus there's an extra steam boost if needed, perfect for vertical steaming or stubborn creases.

## 1.8 l detachable water tank

The detachable water tank allows you to easily refill anytime without stopping the appliance. It has a large filling hole so you can simply fill the water tank under the tap. It has a 1.8 l capacity, so you get the convenience of up to 2 hours of continuous use, with no need to top up the tank.

## OptimalTEMP technology

With OptimalTEMP technology you'll no longer have to waste time changing temperature settings, waiting for the temperature to adjust or pre-sorting clothes. Iron all fabrics, from jeans to silk, with no burning guaranteed thanks to the perfect combination of temperature and continuous powerful steam.

## Safe rest

Innovative OptimalTEMP technology guarantees no burning on any ironable fabric. As well as the reassurance this provides whilst ironing, it also means you can leave the hot iron soleplate directly on your cotton ironing board without causing any damage. This helps to reduce any discomfort to your wrists, as you won't need to lift the iron to and from its base as often.

## Lightweight steam generator

Thanks to revolutionary ProVelocity technology, we've been able to make a powerful steam generator iron that is much lighter than traditional models. This means it's more stable when positioned on your ironing board and carrying it around is much easier.

## Ergonomic comfort handle

The ergonomically shaped SoftGrip handle ensures that using your steam generator is much more comfortable. The top of the handle is finished with a super-soft material with a unique pattern that enhances the gripping experience. These features make holding your iron far more pleasant for the duration of your ironing session.

## Smart Calc-Clean

Regular descaling protects your iron and maintains steam performance. The Smart Calc-Clean system is an integrated descaling and cleaning function to extend the lifespan of your steam generator iron. The iron will remind you with both light and sound that cleaning and descaling is needed. Simply place your iron onto the Smart Calc-Clean container and start the process. It takes approx. 2 minutes for the dirty water and scale to be collected; your steam generator will beep once it's finished and ready to use again.

## SteamGlide Plus soleplate

The SteamGlide Plus soleplate is durable and non-stick because of the ceramic finishing. It has an integrated titanium oxide layer for superior gliding performance.

## Philips Green Logo

Philips Green Products can reduce costs, energy consumption and CO2 emissions. How? They offer a significant environmental improvement in one or more of the Philips Green Focal Areas — Energy efficiency, Packaging, Hazardous substances, Weight, Recycling and disposal and Lifetime reliability.

# Specifications

## Technology

For all ironable fabrics  
No burns  
OptimalTEMP technology  
ProVelocity steam engine  
Smart Control Processor  
Quiet pump

## Fast crease removal

Continuous steam: Up to 120 g/min  
Power: 2600 W  
Pressure: Max 6.5-bar pump  
Ready to use: 2 min  
Steam boost: Up to 420 g  
Steam-on-demand  
Variable steam levels  
Vertical steam

## Easy to use

Safe on all ironable fabrics: Even delicates like silk  
Soleplate gliding performance: 5 stars  
Soleplate name: SteamGlide Plus  
Detachable water tank  
Hose length: 1.6 m  
Power cord length: 1.8 m  
Precision steam tip  
Ready to use: Light indicator, Sound indicator  
Refill anytime during use  
Safety auto off  
Soft grip  
Soleplate scratch resistance: 4 stars

## Scale management

Descaling and cleaning: Smart Calc Clean  
Descaling reminder: Light, Sound, Yes

## Storage

Carry lock: For transportation and safety  
Cord storage: Velcro fix, Yes  
Hose storage: Hose storage compartment

## Size and weight

Product dimensions (W x H x D): 22 x 24 x 37 cm  
Weight of iron: 1.22 kg  
Weight of iron + base: 3.2 kg  
Packaging dimensions (W x H x D): 24.6 x 33.5 x 44.9 cm

## Guarantee

2 year worldwide guarantee

## Green efficiency

Energy saving mode  
Product packaging: 100% recyclable  
User manual: 100% recycled paper
