

PHILIPS

Pressurised steam
generator

8500 series

AUTO CORD

GC8565

Great results, minimum effort

No compromise.

Powerful yet surprisingly convenient, this ironing system produces continuous steam with high pressure. The large detachable watertank you can refill at any time and anywhere, making ironing fast and easy.

Fast and powerful ironing

- Steam boost up to 200 g
- Up to 5 bar pressure
- Continuous steam up to 120 g/min

Comfortable ironing

- Ergonomically and lightweight 1.2kg iron

Easy to use

- Easy one touch cord storage- just press the button
- Detachable 1.6 L watertank

Save energy consumption

- Save 20% energy and 40% water consumption

Hassle-free scale removal

- Permanent anti-calc tablets inside delay scale build up
- Easy rinsing without accessories

Highlights

Anti-calc Tablets

Permanent anti-calc tablets delay the formation of scale build up ensuring better protection for your system iron

Continuous steam

The more steam, the faster the ironing. The unique technology in a Philips steam generator iron generates powerful steam making ironing easier, better and faster.

Eco-setting

Save 20% energy and 40% water consumption by selecting the eco-setting on your Philips Iron. The eco-setting offers the most energy efficient way to obtain perfect ironing results.

Steam boost up to 200 g

The steam boost can be used for vertical steaming and tough creases.

Up to 5 bar pressure

5 bar

The more steam, the faster the ironing. Consistent powerful steam is generated which penetrates deep inside the garments making ironing faster and better. Steam power can be regulated to fit your needs.

Automatic cord winder

Thanks to the automatic cord winder, you can just press the button to automatically retract the powercord.

Detachable 1.6 L watertank

A large watertank capacity enables you to iron with steam without having to refill. The tank can hold a large amount of water so you can iron up to 3 hours uninterrupted. Being detachable, you can easily re-fill the tank any time. It gives you endless, powerful steam.

Ergonomic iron

The ergonomic design of the iron facilitates comfortable ironing by putting less strain on the wrist. The upward sloping handle ensures a natural position reducing strain during ironing. The iron design also prevents the repetitive movements caused by placing an iron on its heel. The iron is light (1.2kg) for an easy & comfortable ironing experience.

Easy Rinsing

In order to improve the lifetime of your system iron we recommend to rinse the inside of your system base. This has been made easily accessible with the easy rinse knob. You don't need any accessories to rinse your system iron.

Specifications

Fast & powerful crease removal
